

# Go Wild!

## Scavenger Hunt

Try to find each of the following items. Check them off your list, and if you know what they are, write that down as well.

- |  |   |
|--|---|
| ___ A white flower:                      | ___ A coniferous (evergreen) tree:                                    |
| ___ A yellow flower:                     | ___ A stinging insect:  |
| ___ A flying animal's home:              | ___ A helpful insect:   |
| ___ A underground animal's home:         | ___ Evidence of humans:   |
| ___ An aquatic animal's home:            | ___ A bird call:  |
| ___ A sedimentary rock:                  | ___ A beetle:   |
| ___ A smooth, polished stone:            | ___ Prairie grass as tall as you:                                     |
| ___ Which direction is the wind blowing? | ___ An animal path or trail:  |
| ___ Scat (poop):                         | ___ Something dead:   |
| ___ A deciduous (loses its leaves) tree: | ___ Pick up at least 3 pieces of litter, and put it where it belongs. |
